*Rand article from wiki

Before the advent of digital alternatives, the cost of professional film equipment and stock was also a hurdle to being able to produce, direct, or star in a traditional studio film. But the advent of consumer camcorders in 1985, and more importantly, the arrival of high-resolution digital video in the early 1990s, have lowered the technology barrier to film production significantly. Both production and post-production costs have been significantly lowered in the 2000s, the hardware and software for post-production can be installed in a commodity-based personal computer. Technologies such as DVDs, FireWire connections and a wide variety of professional and consumer-grade video editing software make film-making relatively affordable.

Theatrical releases : On January 22, 2020, the Chinese blockbuster *Lost in Russia* canceled its theatrical release and was sent to streaming platforms. It was made available to Watch for free, a move said to encourage people to Watch it and stay home. The next day, all theaters in China were closed. On January 31, *Enter the Fat Dragon* also premiered online.⁸⁰ *Lost in Russia* was streamed by 180 million accounts in the first three days after its release Chinas highest-grossing film and the highest-grossing non-English film ever was 2017s *Wolf Warrior 2*, which had sold a total of over 160 million tickets worldwide.⁸¹ At the beginning of February, American films set to premiere in China over February and March were officially canceled.⁸⁰ Chinese media companies began making more films free online through January.⁸² Asian markets also saw Chinese and Hong Kong film distributors cancel exports over the Lunar New Year holiday, including for the films *Vanguard*, *Detective Chinatown 3*, *The Rescue*, and *Legend of Deification* Taiwanese film *Do You Love Me As I Love You* had its Asian release moved to April.⁸³ Cinemas in Asian countries without public restrictions have been increasing hygiene measures, with the spokesperson for one chain saying that they added more hand sanitizer dispensers, performed temperature checks on staff and moviegoers, cleaned facilities more frequently, and displayed public health warnings on the movie screens.⁸³ The Lunar New Year holiday is a large market for film

releases across Asia, but was stunted in 2020 as the outbreak began rapidly spreading over this period of time.⁸³

On October 3, after *No Time to Die* was delayed until April 2021, it was reported that Cineworld was considering suspending the operations of all of its cinemas in the UK and Ireland, and most US Regal Cinemas indefinitely, citing the lack of tentpole releases as impacting its business.¹⁸⁶¹⁸⁷¹⁸⁸ The company confirmed the move on October 5, with CEO Mooky Greidinger stating that it was too expensive to continue operating its cinemas without a consistent lineup of new releases having initially planned to hold out until *No Time to Die* was released, and argued that the continued closure of cinemas in the state of New York has made studios reluctant to release films due to the underperformance of *Tenet*.¹⁸⁹ The closures excluded seven Regal locations in California that had recently been allowed to reopen.¹⁹⁰
